AUGUST 2011

*Welcome to our e-magazine
THE SPRING VALLEY ROTARIAN.*

This e-magazine is published once a month.

Spring Valley Rotary and the Spring Valley Rotary STEP Foundation starts off the new Rotary year with a 180 backpack give-away. We want to take the burden off of 180 students (and parents) by donating filled backpacks to students of the East Ramapo Central School District. Funds used for this project were raised by our Spaghetti & Meatball Dinner and our Annual Light Stick sale at the Town of Ramapo 4th July celebration.

Marilyn Rosenzweig, wife of Rotarian Bob is very ill; please keep her in your prayers.

Adam Krainak is on the mend and should be coming home early September!

Michael Seindenfrau of the Valley Cottage-Congers Rotary Club had a very bad bicycle accident last weekend with severe head and facial injuries. Please keep him in your prayers.

PRESIDENT'S MESSAGE

Greetings to my fellow Rotarians!

It is difficult to imagine that almost three months have passed since I was "officially" installed as the President for the 2011-2012 Rotary year. At the time, I presented a very ambitious agenda which will focus on the five avenues of service of Rotary International. Despite the hard work that it will take to complete the tasks, I am convinced that the very dedicated Rotarians of our Club will carry out these projects as they have done in the past. The agenda includes plans to continue to build on the foundations that the Past Presidents and the Boards have established. Therefore, I will continue many of the programs they started. Additionally, I am introducing new ventures that will help the Club keep abreast with Rotary International and District 7210's agendas. To this end, we instituted an evening "get together" meeting on the third Wednesday of each month. The intent is to allow Rotarians and potential Rotarians who are unable to leave their places of business during the day, to continue or start a relationship with Rotary.

PRESIDENT'S MESSAGE CONTINUED

We will enhance the New Generations Avenue of Service, by vigorously supporting our "young" Interact Club at Ramapo High School, establish a community-based Interact Club, fund the RYLA program, provide overall mentoring to youth, and to forge greater collaboration with community organizations for the building up of our community. The enthusiasm of our members was shown in June with our annual participation in the Rockland Community College Independence Celebration. At this event we sold light sticks for our first fund raiser. All proceeds from this event were used to purchase book bags for youth in Spring Valley.

The momentum continued on August 10, with the annual BBQ hosted by Schools To End Poverty (S.T.E.P.). Funding from this event will help pay for an elevator at the Rose School built by your club's S.T.E.P. program in Vietnam. Also in August, I attended a fundraiser of **Eight 4 Third World Hope**, (a collaborator for our international project in Jamaica) in Rochester, NY.

Our upcoming coin drop fundraiser will take place in September and proceeds will be used to support local and international projects. Of course, I am looking forward to having lots of laughter on the Honoree Night October 26th as we recognize the contributions of our own Larry Beckerle to Rotary and the various Rockland communities.

I want to thank my fellow Rotarians for their love and dedication to the work of Rotary. To all the Board Members and committee Chairs who have helped to make my job easier, my heartfelt thanks. I owe much gratitude to Rotarian Howard, who not only works tirelessly for S.T.E.P., but has taken on the task of reviving our newsletter. The newsletter is a much needed avenue to ensure that our members are kept informed.

On behalf of the Spring Valley Rotarians, it is with great joy that I take this opportunity to welcome Rotarians from the former Chestnut Ridge Club and I look forward to working with all.

I sincerely hope you and your families will eek out some time to relax and enjoy the rest of the summer of 2011.
